1. The Vulnerable Energy Consumers Coalition (VECC) hereby expresses its intention to intervene and participate in the above-mentioned proceeding. VECC consists of the following organizations:
  - (a) The Federation of Metro Tenants Association (FTMA)
  - (b) The Ontario Coalition of Senior Citizens' Organizations (OCSCO)

2. The Federation of the Metro Tenants Association (the “FTMA”) is a non-profit corporation composed of over ninety-two affiliated tenants associations, individual tenants, housing organizations, and members of non-profit housing co-ops. In addition to encouraging the organization of tenants and the promotion of decent and affordable housing, the Federation provides general information, advice, and assistance to tenants. The address is:

500-27 Carlton Street  
Toronto, ON  
M5B 1L2

3. The Ontario Coalition of Senior Citizens’ Organizations (“OCSCO”) is a coalition of over 160 senior groups as well as individual members across Ontario. OCSCO represents the concerns of over 500,000 senior citizens through its group and individual members. OCSCO’s mission is to improve the quality of life for Ontario’s seniors. OCSCO’s address is:

333 Wilson Avenue, Suite 406  
Toronto, ON  
M3H 1T2

4. The coalition of the FMTA and OCSCO under the name VECC has the specific mandate of intervening in proceedings to advocate on behalf of the interests of Ontario’s vulnerable consumers with respect to energy issues, primarily through intervention in regulatory proceedings at the Ontario Energy Board.
5. Although the organization is not itself a member of VECC, the Public Interest Advocacy Centre (PIAC) in Ottawa assists in the representation of

the interests of vulnerable consumers by ensuring the availability of competent representation and consultant support to the VECC participation.

6. The name and address of the agent authorized to receive documents on behalf of VECC is:

7. VECC would request that all correspondence and documentation also be copied to VECC's consultants:

[bharper@econalysis.ca](mailto:bharper@econalysis.ca)

8. VECC has accessed the electronic version of the Application materials as filed on the OEB's website. VECC requests that electronic copies of any additional supporting materials be forwarded to each of the two parties named above. VECC also asks that one (1) paper copy of all materials be delivered to James Wightman at his address above.
9. VECC is intervening in order to ensure that consumer interests and, in particular, the interests of the low-income and vulnerable users of electricity are fully represented in the review of the Application and the cost consequences of the proposed increases for electricity consumers.
10. VECC will be requesting an award of costs for its participation in this proceeding and believes that, as a coalition representing the direct interests of consumers, it meets the eligibility criteria set out in the Ontario Energy Board's Rules of Practice and Procedure (Section 41) and its' Practice Direction on Cost Awards (Section 3.03).
11. VECC's members do not have access to the direct funding required to retain appropriate legal and consulting support for its intervention in OEB proceedings. Accordingly VECC relies on PIAC to provide legal support and retain qualified consultants on the basis that PIAC can recover the related fees and disbursements from the Board based on the Board's Practice Direction on Cost Awards at the prevailing Cost Award Tariff.
