Board Secretary

Dear Ms. Walli:

**Re: Enersource Hydro Mississauga Inc.
EB-2012-0033 Application for 2013 and 2014 Distribution Rates
Confidential Filing Claim – Working Capital Requirement Report**

Enersource filed a redacted Working Capital Requirement report (the “Report”) which had previously been filed on September 18, 2009 in Enersource’s last Cost of Service proceeding (EB-2007-0706). The Report is found at Exhibit 2 Tab1 Schedule 4 Appendix 1 of Enersource’s Application. A claim for confidentiality accompanied this evidence, in both proceedings.

Procedural Order No. 1 offered intervenors and Board Staff the opportunity to make submissions on the request for confidential treatment by June 21, 2012.

Enersource has reviewed the submissions of School Energy Coalition, Energy Probe Research Foundation, Consumers Council of Canada, and Board Staff on this issue. Enersource wishes to advise all parties that it has reconsidered its confidentiality request. To expedite this proceeding, Enersource has included the un-redacted version of the Report, Exhibit 2 Tab 1 Schedule 4 Appendix 1, with this letter.

Sincerely,

(Original signed by)
