Ms. Kirsten Walli, Board Secretary  
Ontario Energy Board  
2300 Yonge Street, Suite 2701  
Toronto ON M4P 1E4

Dear Ms. Walli:

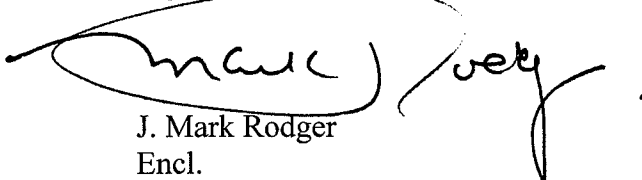

**Re: AltaLink Ontario L.P.  
Counsels' Declaration and Undertaking in respect of EB-2011-0140**

Pursuant to the Board's *Phase 1 Partial Decision and Order* dated June 14, 2012, please find enclosed the signed declaration and undertaking of Mark Rodger and John Vellone, counsel to AltaLink Ontario, L.P. ("AltaLink").

Whether other representatives that are neither counsel nor experts nor consultants to AltaLink will require access to some or all of the confidential information will depend in large part on the nature and extent of the confidential materials filed by HONI and GLPT on June 28, 2012. We ask that all materials filed in confidence be forwarded to our attention to facilitate our review and assessment of the information for the purposes of determining whether other such AltaLink representatives require access to some or all of this material. While we will make our best effort to advise the Board by July 6 with respect to those persons requiring access, and the reasons why access cannot be restricted to counsel, it may not be possible to name all the relevant individuals by this date. For example, as AltaLink prepares its proposal for the East-West Line it may become apparent that other AltaLink representatives and employees also require access to the unredacted materials. Accordingly, it may be that additional declaration and undertakings are filed with the Board after July 6, 2012.

Yours very truly,

**BORDEN LADNER GERVAIS LLP**
