

ONTARIO ENERGY BOARD

IN THE MATTER OF the *Ontario Energy Board Act, 1998*, S. O. 1998, c. 15
(Schedule B)

AND IN THE MATTER OF an Application by Orangeville Hydro Limited for
a Service Area Amendment

NOTICE OF MOTION

Hydro One Networks Inc. (“Hydro One”), an intervenor and the incumbent distributor, will make a motion to the Ontario Energy Board (“the Board”) at its offices at 2300 Yonge Street, Toronto, at a time and date to be set by the Board.

The Motion is for an Order:

1. requiring the Applicant, Orangeville Hydro Limited, to provide an answer to Hydro One’s Interrogatory #4 dated June 11, 2012, wherein Hydro One asked the Applicant what the impact on its Application would be if the OEB determined that relocation and removal costs to relocate the existing Hydro One assets on the subject property should be included in the total costs to service the subdivision;
2. requiring the Applicant, Orangeville Hydro Limited, to provide an answer to Hydro One’s Interrogatory #8 dated June 11, 2012, wherein Hydro One asked the Applicant to provide an updated Economic Evaluation for 154 lots, and a revised Schedule K (adjusted for 115 lots), including an Upstream Cost Calculation based on the considerations and charges set out in that Interrogatory; and
3. extending the date set out by the Board in paragraph 5 of Procedural Order No. 1, being the date by which intervenors and Board staff must submit evidence regarding the Application, to a date that is 10 days after the date that the Board issues a Decision and

Order regarding this Notice of Motion or to a date that is 10 days after the Applicant has complied with any Decision and Order that may be made by the Board granting any portion of the relief requested in this Notice of Motion, whichever date is later.

The grounds for the Motion are:

- (a) the relevance of the information requested in this Notice of Motion;
- (b) the need for the information in order to fairly compare the connection costs resulting from a connection to the Applicant rather than to the incumbent distributor; and
- (c) the fact that the Applicant, in its June 25, 2012, Response to the Interrogatories of Hydro One, refused to answer the Interrogatories described in paragraph numbers 1 and 2 above.

The following documentary evidence will be used at the hearing of the motion:

- 1. the Application of Orangeville Hydro Limited;
- 2. Hydro One's Interrogatories dated June 11, 2012; and
- 3. the Applicant's Responses dated June 25, 2012, to Hydro One's Interrogatories.
