Ms. Kirsten Walli  
Board Secretary  
Ontario Energy Board  
PO Box 2319  
2300 Yonge Street, 27<sup>th</sup> floor  
Toronto, ON M4P 1E4

Dear Ms. Walli:

**Re: Hydro One Networks Inc.’s (“Hydro One”) Application for  
Change to Electricity Transmission Revenue Requirement and Rates for 2013 and 2014  
– Notice of Application and Hearing  
OEB File No. EB-2012-0031**

Pursuant to the Board’s Notice of Application and Hearing dated June 20, 2012, Toronto Hydro-Electric System Limited (“THESL”) requests Intervenor Status in the EB-2008-0272 proceeding.

THESL is an electricity distributor operating under Licence ED-2002-0497. As an OEB-regulated utility, THESL has a direct interest in all matters of jurisdiction, substance and procedure with respect to the regulation of electricity in Ontario, and in decisions of the Board which may affect THESL’s operation in the Ontario electricity market. In particular, as a customer of Hydro One, THESL (and its customers) will be affected by any changes to the provincial uniform transmission rate charges approved by the Board.

THESL reserves the right to be heard, to appear by or with counsel of its choice, to cross-examine on all subject matters in this hearing that may relate to its interest, to advance evidence on specific matters that are relevant to this proceeding and to present argument.

THESL requests electronic copies of Hydro One's prefiled evidence. THESL further requests to be included in the distribution list for any documents, correspondence or updates related to this proceeding.

THESL does not intend to seek an award of costs in this proceeding.

Please direct any questions or comments to my attention at [regulatoryaffairs@torontohydro.com](mailto:regulatoryaffairs@torontohydro.com).

Yours truly,
