Dear Ms. Walli:

Re: **Board file number: EB-2011-0140 – East West Tie Designation Proceeding
Declarations and Undertakings of PRFN's Counsel**

We are counsel for Pic River First Nation ("PRFN") in the above noted proceeding.

In accordance with the Board's Phase 1 Partial Decision and Order dated June 14, 2012, we have uploaded the signed declarations and undertakings of PRFN's external counsel, Carol Godby and Steven Teal (dated June 29, 2012), with respect to the confidential information filed by Hydro One Networks Inc. ("HONI") and Great Lakes Power Transmission LP ("GLPT").

Please be advised that after we have had the opportunity to review the materials filed by HONI and GLPT, we may advise the Board that certain other representatives or employees of PRFN require access to the confidential information as well, given the nature of that information. At that time, any such persons will file declarations and undertakings with the Board. We note that these additional requests may come after July 6, 2012.

Yours very truly,

HARRISON PENSA^{LLP}
