**RE: EB-2011-0354 ENBRIDGE GAS DISTRIBUTION - 2013 DISTRIBUTION RATES**

Please find attached the interrogatories of the Federation of Rental-housing Providers of Ontario (FRPO) in the above referenced proceeding. The attached interrogatories include those of our expert, Mr. John Rosenkranz of North Side Energy LLC. Mr. Rosenkranz has been retained by a consortium of intervenors that includes the Canadian Manufactures & Exporters (CME), the Consumers Council of Canada (CCC) and FRPO.

Please note also that we have attempted to include the interrogatories applicable to the 2013 Rebasing case while recognizing that many interrogatory responses would be required for the Enbridge 2011 Earnings Sharing and Deferral Account proceeding, EB-2012-0055. Through communication with Enbridge counsel by counsel for CME, Enbridge has asked that the interrogatories be filed at this time with an understanding that responses would be required to assist with EB-2012-0055 proceeding. We trust that this is satisfactory to the Board and interested parties.

Respectfully Submitted on Behalf of FRPO,

Dwayne R. Quinn  
Principal  
DR QUINN & ASSOCIATES LTD.
