Dear Mr. Van Ooteghem:

**Re: Kitchener-Wilmot Hydro Inc.
Application for 2012 Smart Meter Cost Recovery effective November 1,
2012
Board File No. EB-2012-0288**

On July 5, 2012, the Board issued its Notice of Application and Hearing and Letter of Direction in the above noted proceeding. That document incorrectly identified the estimated total bill impacts for Kitchener-Wilmot Hydro Inc's application for smart meter cost recovery and incorrectly identified that the bill impacts would be in effect for 16 months. The average bill impacts for have been corrected to \$0.40 per month per customer the residential class and \$12.04 per month per customer for the General Service less than 50 kW class. Additionally, the Notice has been corrected to reflect that the bill impacts will be in effect for 18 months.

Yours truly,
