Dear Ms. Walli:

**Re: Ontario Power Generation – Payment Amounts for Prescribed Facilities/
EB-2007-0905**

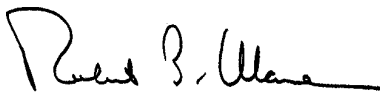

We are counsel to the Consumers Council of Canada in this matter. Our client has, together with the Vulnerable Energy Consumers Coalition, retained Dr. Laurence Booth to provide expert evidence on issues related to the return on equity and the cost of capital.

We were advised by Dr. Booth, on the afternoon of Friday, April 4, 2008, that as a result of a death in his immediate family, he will be returning to England for a period of time over the next two weeks. As a result, he will be delayed in completing his pre-filed evidence. In these circumstances, we respectfully request an extension of time, to April 30, 2008, for the filing of Dr. Booth's evidence.

By email on April 4, 2008, we advised Mr. Penny, in his capacity as counsel for Ontario Power Generation, that we would be making this request.

Yours very truly,

WeirFoulds LLP

Robert B. Warren
