Dear Ms. Walli:

**Re: Ontario Power Authority
2008 Expenditure and Revenue Requirement Submission
Ontario Energy Board File No. EB-2007-0791**

On March 28, 2008 at the Motions Hearing (Tr. p. 48), with respect to the Ontario Power Authority's ("OPA") response to Interrogatory # 2 of GEC/Pembina/OSEA, the Board mentioned that it would be useful if the OPA could find some way of calculating the information for GEC and for the Board with respect to its budget and time allocated on a program or project basis for each local area supply programs versus other types of projects. The OPA was able to estimate the information and accordingly has updated Interrogatory #2. The OPA is hereby filing two copies of updated Exhibit I-5-2 with the Board and serving parties to this proceeding. The OPA used the Board's e-filing services to file these documents and is attaching the confirmation sheet.

Yours truly,
