

EB-2012-0082

IN THE MATTER OF the *Ontario Energy Board Act*,
1998, S. O. 1998, c.15, Schedule B;

AND IN THE MATTER OF an application by Hydro
One Networks Inc. for an Order granting leave to
construct to upgrade existing transmission line
facilities.

PROCEDURAL ORDER NO. 3
July 17, 2012

Hydro One Networks Inc. ("Hydro One") filed an application with the Ontario Energy Board dated March 28, 2012 under section 92 of the *Ontario Energy Board Act, 1998*, S.O. 1998, c.15, Schedule B. Hydro One applied for an order of the Board granting leave to construct to upgrade 70 km of transmission line facilities between Lambton TS and Longwood TS (the "Project") in the west of London area.

Procedural Order No. 1 on May 25, 2012 granted intervenor and observer status to parties requesting it and provided a list of parties. It also established dates for interrogatories and responses, and submissions.

Board staff submitted interrogatories on June 6, 2012. Following a request of June 13, 2012 from the Chippewas of The Thames First Nation ("COTTFN") to convert its status from observer to intervenor with cost eligibility, the Board issued Procedural Order No. 2 on June 15, 2012, in which it allowed the request, and modified the dates for upcoming procedural steps. A revised List of Participants was attached. Interrogatories and responses to all parties' interrogatories were subsequently filed in accordance with the modified dates.

Board staff filed a submission on July 12, 2012. By letter to the Board dated July 13, 2012, COTTFN requested an extension to Friday July 20, 2012 to file its submission.

The Board grants the requested extension and also extends the date for the reply submission by a similar amount of time. The Board may issue further procedural orders from time to time.

THE BOARD ORDERS THAT:

1. Intervenors and Board staff may file with the Board and copy to all other intervenors their written submissions on all matters by **July 20, 2012**.
2. Hydro One shall file its reply submission with the Board and copy to all intervenors by **July 27, 2012**.

All filings to the Board must quote file number EB-2012-0082, be made through the Board's web portal at www.errr.ontarioenergyboard.ca, and consist of two paper copies and one electronic copy in searchable / unrestricted PDF format. Filings must clearly state the sender's name, postal address and telephone number, fax number and e-mail address. Parties shall use the document naming conventions and document submission standards outlined in the RESS Document Guideline found at www.ontarioenergyboard.ca.

If the web portal is not available, parties may email their documents to the address below. Those who do not have internet access are required to submit all filings on a CD in PDF format, along with two paper copies. Those who do not have computer access are required to file 7 paper copies.

All communications should be directed to the attention of the Board Secretary at the address below, and be received no later than 4:45 p.m. on the required date.
