1 **Q1. Please state your name and business address.**

2 A1. My name is Steve Emond and my business address is TransCanada
3 PipeLines Limited (TransCanada), 450 - 1st Street S.W., Calgary, Alberta.

4 **Q2. Please state your present position and qualifications.**

5 A2. My current position with TransCanada is Vice-President, System Design
6 and Commercial Operations – Canadian and Eastern U.S. Pipelines. I
7 have responsibility for Commercial Operations (Nominations and
8 Allocations, Gas Quality and Measurement Integrity, Operations Planning
9 and Gas Control) and System Design for TransCanada's Canadian
10 pipelines and the Portland Natural Gas Transmission System.

11 I have been employed with TransCanada since 1979, when I joined the
12 Facilities Planning group in Toronto. I transferred to the TransCanada
13 Alberta Division in Calgary in 1980 and worked in a variety of roles within
14 the Supply Operations area. Following creation of Western Gas Marketing
15 in 1986, I held positions in Market Planning and Development, Gas Supply
16 Control, Alberta Transportation and Measurement, and Transportation and
17 Exchange. I rejoined the TransCanada Mainline in 1996 in the Operations
18 group with responsibility for Gas Control, Nominations and Electronic
19 Commerce.

1 I graduated from the University of Waterloo in 1979 with a Bachelor of
2 Science in Systems Design Engineering.

3 **Q3. Have you previously testified before the Ontario Energy Board (OEB)**
4 **or other regulatory tribunals?**

5 A3. Yes. I was a witness before the OEB in the EB-2005-0551 proceeding
6 related to the Natural Gas Electricity Interface Review (NGEIR).

7 I was a also a witness before the National Energy Board (NEB) on behalf of
8 TransCanada in the GH-5-2008 proceeding related to NEB jurisdiction over
9 the Alberta System, and in the FT-SN and SNB services proceeding (RH-1-
10 2006), 1999 Facilities Application proceeding (GH-3-98), the Interruptible
11 and Short Term Firm Transportation Tariff Amendments proceeding (RH-1-
12 99), the 2001 and 2002 Tolls and Tariff Application proceeding (RH-1-
13 2001) and the 2003 Tolls and Tariff Application proceeding (RH-1-2002).

14 I am also currently a witness in the NEB RH-003-2011 proceeding
15 regarding TransCanada's Business and Services Restructuring Proposal.

16 **Q4. What is the purpose of your appearance in this proceeding?**

17 A4. I will respond to questions related to commercial operations and system
18 design.

19 **Q5. Does this conclude your direct evidence?**

20 A5. Yes.

**Direct Evidence
