Loblaw Companies Limited.

DECISION AND ORDER
July 19, 2012

THE APPLICATION

Entegrus Powerlines Inc. ("Entegrus") filed an application with the Ontario Energy Board on June 19, 2012 under section 86(1)(b) of the *Ontario Energy Board Act*, 1998 (the "Act") for a Board order granting Entegrus leave to sell certain distribution system assets to Loblaw Companies Limited ("Loblaw").

The assets consist of one meter cabinet, one test block, assorted wiring and cabling, three current transformers, and three voltage transformers and are located at 626 Victoria Street, Strathroy, Ontario.

The total sale price of \$1.00 (plus HST) represents the net book value of the assets.

FINDINGS

Based on the evidence, I find that there are benefits to the proposed transaction, and no negative consequences have been identified. It is therefore in the public interest to grant Entegrus leave to sell the metering assets to Loblaw. The following facts are relevant to this decision.

Section 86(1)(b) of the Act provides that leave of the Board is required before a transmitter or a distributor can “sell, lease or otherwise dispose of that part of its transmission or distribution system that is necessary in serving the public”. The assets that are the subject of this transaction are necessary in serving the public.

The sale is for the purposes of transferring ownership of the metering assets to Loblaw to use these assets for wholesale metering as an Independent Electricity System Operator market participant. Entegrus states that the assets proposed to be sold to Loblaw exclusively serve and will continue to serve Loblaw. After the proposed transaction Loblaw will own the assets instead of the utility. Entegrus states that the transaction will not adversely affect the safety, reliability, quality of service or operations of the applicant or Loblaw. The proposed transfer will not impact distribution rates of the applicant.

Entegrus requested, with Loblaw’s consent, that the Board dispose of this matter without a hearing under section 21(4)(b) of the Act. I find, based on the evidence filed in the application, that no other person will be adversely affected in a material way by the outcome of this proceeding. I have therefore disposed of this matter without a hearing.

IT IS ORDERED THAT:

1. Entegrus Powerlines Inc. is granted leave to sell one meter cabinet, one test block, assorted wiring and cabling, three current transformers, and three voltage transformers located at 626 Victoria Street, Strathroy, Ontario to Loblaw Companies Limited.
