Kirsten Walli
Board Secretary
Ontario Energy Board
27th floor – 2300 Yonge Street
Toronto, ON M4P 1E4

Dear Ms Walli,

**Hydro One Networks Inc. (“Hydro One”)
2013 and 2014 Transmission Revenue Requirement
Board File No.: EB-2012-0031
Our File No.: 339583-000142**

We are writing on behalf of our client, Canadian Manufacturers & Exporters (“CME”), pursuant to paragraph 1 of Procedural Order No. 1 dated July 12, 2012.

We support the addition of the issue framed by Energy Probe in its recent letter to the Board.

The broad scope of the other issues contained in the Draft Issues List covers issues in this proceeding of interest to CME.

We have not yet had an opportunity to consider the issue Goldcorp wishes the Board to add to the Issues List. We will provide our comments, if any, on that proposal by July 27, 2012, the deadline date set established in paragraph 2 of Procedural Order No. 1.

We agree with counsel for the Consumers Council for Canada (“CCC”) that the time for determining whether some issues can be considered on a written basis is after the discovery stage of the process has been completed, and not before.

Yours very truly,
