"Proxy Group" means the four municipally controlled electricity distributors in Ontario that are closest in size to the Corporation, measured by reference to average peak load, as published by the Ontario Energy Board in its most recent Yearbook of Electricity Distributors, for which the information required to assess director remuneration pursuant to Section 2.15(1)(g) is available to the Corporation; The Parties agree that on the date hereof, the Proxy Group consists of Hydro Ottawa Limited, PowerStream Inc., Horizon Utilities Corporation and London Hydro Inc. If the remuneration paid by any such companies to its directors is no longer reasonably available to the Corporation or any of such companies ceases to be one of the four municipally controlled electricity distributors in Ontario that are closest in size to the Corporation, as measured as aforesaid, then such company shall be removed from the Proxy Group and the Nominating Committee shall select the next municipally owned electricity distribution company in the Province of Ontario closest in size to the Corporation, as measured as aforesaid, in respect of which the Corporation can reasonably obtain information about the remuneration of such company's directors to be part of the Proxy Group. Once identified by the Nominating Committee, such replacement company shall become part of the Proxy Group in the place of the company removed and then until replaced in accordance with the terms hereof.
