Dear Ms. Walli

EB-2011-0140 – East-West Tie Line – Hydro One Networks Inc. Comments on Intervenor Cost Claims

I write to advise that Hydro One Networks Inc. has received and reviewed the cost claims from Algoma Coalition, Building Owners and Managers Association, Consumers Council of Canada, City of Thunder Bay Coalition, Energy Probe, Métis Nation of Ontario and National Chiefs Office, and School Energy Coalition and raises no issues with their claims.

With respect to the costs claim from Pic River First Nation, given that some receipts are missing, Hydro One defers to the Assessment Officer to validate that the claim is just and appropriate.

Hydro One was able to review these claims and respond within the allotted timeframe. However, since cost claims can take time to review, we request the Assessment Officer's assistance in ensuring that they are submitted on or before the submission deadline, to allow sufficient time to review each claim.

Sincerely,
