Dear Ms. Walli:

**Re: Ontario Power Generation – Payment Amounts for Prescribed Facilities/
EB-2007-0905**

OPG received 45 interrogatories from the Consumers Council of Canada and the Vulnerable Energy Consumers Coalition relating to capital structure and cost of capital on March 27, 2008. Due to the detailed nature of these questions and the amount of analysis involved to respond to some of them, OPG will be unable to provide all responses by April 10, 2008, 14 calendar days after receiving the interrogatories. OPG will endeavour to provide the responses by April 15, 2008, the final day for providing interrogatory responses as set out in Procedural Order No. 2.

OPG notes that Dr. Laurence Booth, who has been retained by Consumers Council of Canada and the Vulnerable Energy Consumers Coalition to provide expert evidence on these issues, is required to be out of the country and will be delayed in filing his prefiled evidence until April 30, 2008. OPG trusts that the delay in providing responses will not impact the preparation of his evidence.

Yours very truly,

Barbara Reuber
