Dear Ms. Walli:

**Re: Ontario Power Authority
2008 Expenditure and Revenue Requirement Submission
Ontario Energy Board ("OEB") File No. EB-2007-0791**

The Ontario Power Authority ("OPA") is writing to advise the Ontario Energy Board that intervenors to this proceeding have agreed to limit the hearing Issues to 1.2b, 2.1, 2.2, 2.3 and 6.2. Any questions Green Energy Coalition ("GEC") might have with respect to Issues 3 and 5 will be restricted to any changes in the level of these budgets that might flow from the outcome of Issues 1 and 2. Also, under Issue 4, environmental attribute trading initiative will be argued by counsel, and therefore the OPA plans to have no witnesses present at the hearing to testify to that issue. Thus, the OPA advises that it will have its expert witnesses present to testify on the Conservation business of the OPA's mandate. The OPA intends to bring only one witness panel to speak to these issues.

Yours truly,

Gia DeJulio
Manager, Regulatory Affairs
