Dear Kirsten Walli:

Re: Application^{a)} EB-2012-0312
Conestogo Wind LP.

b) EB-2012-0311 NextEra
Energy Canadian Operating
Services Inc.

This is a request for an extension of the due date of Aug. 20, 2012 for these applications. I would further request a copy of the application and pre-filed evidence. I cannot drive to Burlington or Toronto at this time.

This request is based on the following reasons:

- a) I have just returned from holidays & knew nothing of these applications
 - b) I do not have a working computer
 - c) I do wish to file an objection but cannot do so without some guidance on what "good reason" constitutes. No one at the Energy Board has helped me yet.
- Sincerely
-
