Re: Smart Metering Rate Addendum

Dear Ms. Walli:

EB-2007-0516

ED-2002-0498

**2007 Electricity Distribution Rate Application
Smart Metering Rate Addendum
Centre Wellington Hydro Ltd.**

In accordance with instructions released on January 29, 2007 of the Report of the Board on Cost of Capital and 2nd Generation Incentive Regulation, Addendum for Smart Metering Rates, Centre Wellington Hydro Ltd. Requests a final order for the continuation of the 2006 smart meter rate adder for 2007 as incorporated in the IRM model.

Centre Wellington Hydro Ltd. has been identified as an "inactive" distributor and is requesting a smart metering rate adder that reflects \$0.30 per residential customer per month to be allocated to all metered customers and recovered through the monthly services charges.

This addendum is respectfully submitted for the Board's consideration.

Yours truly,

Douglas Sherwood
President / Secretary
Centre Wellington Hydro Ltd.
