**Re: Greater Sudbury Hydro Inc
2013 Cost of Service Application EB-2012-0126**

Dear Ms. Walli:

Greater Sudbury Hydro Inc (GSHI) is scheduled to file a Cost of Service Application for 2013 Electricity Distribution Rates and remains committed to submitting a complete application that conforms to the most recent filing requirements issued by the Board.

As of today's date, GSHI is not yet in a position to file its 2013 Cost of Service Application. The 2013 IFRS deferral and related MIFRS issues, as well as the additional work associated with the June release of the OEB Cost of Service Models, have contributed to the delay.

In order to prepare a thorough application GSHI sincerely regrets that we will not be able to meet the August 31, 2012 filing deadline. GSHI will continue to work diligently to submit the application on or before October 31st, 2012.

Sincerely,

A handwritten signature in blue ink that reads 'N Whissell'.
