**Re: Costs Claims - Supporting Documentation
East-West Tie Designation Proceeding (EB-2011-0140)**

The Board has received the cost claim that you provided for Phase 1 of this proceeding, and notes that you did not provide a copy of your dockets with it. It is established Board practice that dockets are to be provided together with cost claims, and that the Board will not make a decision to award costs without such proper supporting documentation provided by a claimant.

Accordingly, please file detailed dockets in support of your cost claim with the Board by Friday August 30, 2012.

Yours truly,

Original signed by

Kirsten Walli
Board Secretary
