Dear Ms. Walli:

**Re: EB-2011-0354 Enbridge 2013 Rates Proceeding – Request for Interested Party Status**

Summitt Energy Management Inc. ("Summitt") is respectfully requesting late intervenor status in Enbridge Gas Distribution Inc.'s ("Enbridge") EB-2011-0354 2013 Rate Case ("Rate Case"). Summitt is a licensed Ontario natural gas and electricity retailer and an Open Bill client of Enbridge.

On June 28, 2012, Summitt received Enbridge's letter inviting parties to comment on the proposed changes to its Open Bill Access Billing and Collection Services Agreement ("OBA Agreement"). On July 6, 2012, Summitt provided comments and on August 28, 2012 Summitt participated in a meeting called by Enbridge regarding the changes to the OBA Agreement. At this meeting Summitt was made aware that interested parties will have an opportunity to further discuss changes to the OBA Agreement at the Settlement Conference in Enbridge's Rate Case. Summitt would like to participate at the Settlement Conference on the topic of the OBA Agreement.

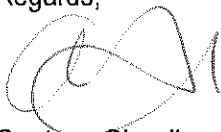

Summitt accepts the evidence filed to-date in this Rate Case, does not intend to introduce new evidence or submit any interrogatories, and does not seek any costs.

Communications relating to this proceeding should be directed to:
