Dear Ms. Walli:

Board File No. EB-2012-0340
Consultation – Costs Clarification Request

On July 31, 2012, the Board issued an invitation to participants in the EB-2010-0008 proceeding and others to take part in a Stakeholder Meeting in respect of a *Consultation regarding Incentive Rate Making Options for Ontario Power Generation's Prescribed Generation Assets*. The Invitation provided for a process to file for cost eligibility. Further, the Invitation was very specific in its description of the activities for which costs would be made available:

Eligible Activities

Cost awards will be available to eligible persons in relation to participation in the stakeholder meeting, to a **maximum of 30 hours**.

By correspondence from the Board dated August 30, 2012, we are informed that "Board staff is soliciting written submissions commenting on the issues and options presented" during the Stakeholder Meeting. Is it the intention of the Board to provide cost awards for these activities?

Should you have any questions or require additional information, please contact me.

Yours truly,

David S. MacIntosh
Case Manager
