Dear Ms. Walli:

Re: EB-2012-0031

I am writing to advise the Board that I have been retained by Goldcorp Canada Limited and Goldcorp Inc. (collectively "Goldcorp") to replace Ian Blue as counsel in this proceeding. Please direct all future correspondence to me at the coordinates contained in the letterhead set out above.

I have reviewed the record in this proceeding and have had discussions with Goldcorp regarding its options to pursue relief in other forums. We understand that the relief originally proposed by Goldcorp to be added as an issue to the Issues List was rejected by the Board. Although Goldcorp will not pursue that relief in this proceeding, Goldcorp remains concerned about the value of the assets that are the subject of a bypass fee that Hydro One will charge Goldcorp. To that end, Goldcorp has filed the attached interrogatories regarding Hydro One's rate base. Because the facilities that may be bypassed by Goldcorp form part of Hydro One's rate base, we believe that interrogatories about the rate treatment of those facilities are within the scope of this proceeding.

We have attempted to limit the number of interrogatories filed to avoid overburdening Hydro One. We thank the Board for its patience in this matter.

Sincerely,

Andrew Taylor
