Dear Ms. Walli:

Re: Enbridge Gas Distribution Inc. 2013 Rate Case

We represent Enbridge Gas Distribution Inc. ("Enbridge" or the "Company"). We write in response to late intervention requests recently filed by Low Income Energy Network ("LIEN") and Vista Credit Corp. ("Vista") in this proceeding in relation to the open bill issue (which is Issue D11: "Is the proposal for the Open Bill Access Program appropriate?").

Enbridge does not object to these two late intervention requests in relation to the open bill issue (including LIEN's request for costs eligibility). In this regard, Enbridge presumes that LIEN and Vista will be subject to the same procedure as other parties in relation to the open bill issue (as set out in Procedural Order No. 4).

Please contact me should you have any questions.

Yours truly,

AIRD & BERLIS LLP
