Re: Requests to Withdraw Applications
Board File No. EB-2011-0242 -Enbridge Gas Distribution Inc. –
Biomethane Program Application and Board File No. EB-2011-0283 -
Union Gas Limited - Biomethane Program Application

On September 7, 2012 the Board received correspondence from Enbridge and Union withdrawing their respective applications for a biomethane program, Board File No. EB-2011-0242 and Board File No. EB-2011-0283, respectively.

On July 12, 2012, the Board issued an interim decision on these applications which allowed for Enbridge and Union to "...file supplemental evidence to address the issues in this decision. Any additional evidence must be filed with the Board and sent to all parties, by October 31, 2012."

In their letters of September 7, both Enbridge and Union noted that they are not currently in a position to file the required supplemental evidence by October 31, 2012 and therefore requested a withdrawal of their applications without prejudice to future applications regarding biomethane program approvals.

The Board acknowledges the requests by Enbridge and Union to withdraw the applications and Board Files EB-2011-0242 and EB-2011-0242 will be closed.

Sincerely

Original Signed By
