

Undertaking No. J4.2

TO PROVIDE NUMBER PEOPLE IN OSFI BUILDING. 53

Response:

Mr. Kingdon worked with the Office of the Superintendent of Financial Institutions (OSFI) to develop 120,000 sq ft of office space located in Ottawa and Toronto. Enersource is unable to provide the specific number of employees at these locations.

However, the OSFI website indicates that it employs “about 550 employees located in four offices: Ottawa, Toronto, Montreal, and Vancouver”. This is shown at this link:
