Dear Ms. Walli:

**EB-2012-0031 – Hydro One Networks' 2013 and 2014 Transmission Revenue Requirement Application – Confidential Filing of Responses to Interrogatory**

I am attaching a copy of the confidential responses to two interrogatories. They are responses to Energy Probe Interrogatory Exhibit I, Tab 2, Schedule 3.01 EP 1 and Consumers Council of Canada (CCC) Interrogatory Exhibit I, Tab 2, Schedule 10.01 CCC 1. Energy Probe has requested copies of the 2013-2017 Hydro One Business Plan instructions issued in July 2012, and the Hydro One Board Memos dated April 2012 and November 2012. CCC has requested copies of any correspondence with the shareholder respecting the current application. A confidential copy this memo dates January 2012 is attached. Redacted version of this memo as well as the two Board memo's requested by Energy Probe have been filed with the applicable interrogatory responses.

Hydro One asks for confidential treatment of the attachments to these interrogatory responses. Hydro One's Disclosure Policy, as well as applicable securities legislation, prohibit the release of non-public, financial information on a selective basis to individuals or groups of individuals. In addition the Business plan instructions include information with respect to matters that are outside the scope of this proceeding.

Hydro One is prepared to share a copy of the confidential filing with intervenors who sign the Board's confidential undertaking form.

Sincerely,
