Dear Ms Walli:

**Re: EB-2008-0034 Union accounts – GEC notice of intention to seek costs**

Pursuant to the revised Notice of Hearing issued April 11<sup>th</sup>, GEC hereby gives notice of its expectation that it will seek costs in this proceeding.

The Order indicates an April 4<sup>th</sup> deadline for this notification. GEC has had a representative on the Union committees dealing with DSM accounts and counsel had mistakenly assumed that the DSM process was dealing with all aspects of the DSM accounts. When the re-issued notice was issued it became clear that assumption was in error and that Union is seeking an interim clearance despite the committee process not having concluded.

GEC submits that this late request creates no prejudice for Union and respectfully requests that it be allowed to seek costs in due course.

Sincerely,
