Attn: Kirsten Walli, Board Secretary

Dear Ms. Walli:

Re: EB-2012-0121 – Erie Thames Powerlines – Settlement Conference

On September 27th, the Board issued Procedural Order No. 2 making provisions for various matters relating to the proceeding including the convening of a Settlement Conference on October 24th. On behalf of the School Energy Coalition ("SEC"), I am writing to request that the Settlement Conference be re-scheduled for October 25th. The undersigned counsel who has primary carriage of this matter for SEC is unavailable on the 24th. I have also been asked to relay to the Board that Mr. Garner, consultant to the Vulnerable Energy Consumers Coalition ("VECC") in this matter, is also unavailable on the 24th.

I have spoken to the Applicant and all other intervenors and they consent to re-scheduling the Settlement Conference for October 25th. This would not require a change to any other dates set out in Procedural Order #2, including the filing of any Settlement Proposal.

Thank you for your consideration

Yours very truly,
Jay Shepherd P.C.
