**Application for Extension to Mandated Time-of-Use
Pricing Date for Regulated Price Plan Consumers**

Algoma Power Inc.

Board File No.: EB-2012-0339

October 1, 2012

BACKGROUND

Algoma Power Inc. ("Algoma Power") filed an application dated July 30, 2012 with the Ontario Energy Board under section 74 of the *Ontario Energy Board Act, 1998* for a licence amendment granting an extension in relation to the mandated date for the implementation of time-of-use ("TOU") pricing rates for Regulated Price Plan customers. Algoma Power's mandated TOU pricing date is currently June 2012. Algoma Power is requesting its TOU pricing date be extended to December 2012 due to a delay in the migration of its customer information system.

The Board issued a Notice of Application and Hearing for the application on August 21, 2012. Board staff filed interrogatories on the application on August 31, 2012. Algoma Power responded to those interrogatories on September 21, 2012.

This submission is being provided by Board staff following a review of the application and evidence filed in this proceeding.

STAFF SUBMISSION

Having reviewed the application and evidence, Board staff has no issue with the Algoma Power's request for an extension to its mandated TOU pricing date.

All of which is respectfully submitted.
