Dear Ms. Walli:

**Re: East-West Tie Transmitter Designation Process
EB-2011-0140**

We are writing to follow-up on our letter dated July 6, 2012 enclosing additional signed Declarations and Undertakings of Juan Jose Soto Martinez and Pablo de la Sierra Perez.

Icon wishes at this time to withdraw the signed Declaration and Undertaking of Mr. de la Sierra. Icon will reconsider submitting a new signed Declaration and Undertaking for Mr. de la Sierra, as well as from additional consultants or Icon employees, after Icon's counsel and Mr. Soto (who have submitted signed Declarations and Undertakings) have reviewed the confidential Hydro One and GLPT information and Icon's counsel has reviewed the Board's forthcoming decision on the balance of the Phase 1 issues. At that point, Icon will be better informed as to what additional personnel may require access to the confidential information in order to assist in preparing Icon's transmission development plan.

Yours truly,

Glenn Zacher
