Ms. Kirsten Walli  
Board Secretary  
Ontario Energy Board  
Suite 2700,  
2300 Yonge Street  
Toronto, ON M4P 1E4

Dear Ms. Walli:

**Re: Orangeville Hydro Limited – Application for Service Area Amendment  
Board File Number EB-2012-0181**

---

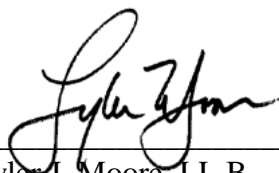

In light of the letter filed by Board staff on September 26, 2012 wherein they recognized an error in their submission, and requested that entire sections of their submission be withdrawn due to this error, please be advised that Orangeville Hydro Limited (“OHL”) will be submitting a revised final argument in this proceeding. The final argument submitted by OHL on September 25, 2012 included numerous references to the withdrawn sections and, as a result, OHL submits that it is necessary to file a revised final argument.

The revised final argument will also address comments included in the above-referenced Board staff letter that incorrectly suggest that OHL has agreed to certain elements of Board staff’s table of costs.

OHL will be filing the revised final argument no later than 12:00 p.m. on September 28, 2012.

Yours very truly,
