Dear Mr. Poch:

**Re: Union Gas Limited Disposition of 2007 Deferral Account and Other  
Balances  
Board File No EB-2008-0034  
Notice of Intervention of Green Energy Coalition**

The Board confirms Green Energy Coalition's ("GEC") status as a late intervenor in the above noted proceeding, subject to your acceptance of the record and the timetable of the proceeding as it currently stands and subject to any objection by Union Gas Limited within 10 days of issuing this letter.

GEC is eligible to apply for an award of costs under the Board's *Practice Direction on Cost Awards*, issued February 2003, but cautions that any award will be based on an assessment of GEC's contribution during the proceeding.

The Practice Direction and related forms are available on the Board's Web site at [www.oeb.gov.on.ca](http://www.oeb.gov.on.ca) .

Yours truly,
