Dear Kirsten Walli,

**Re: Nomination for Unmetered Loads Working Group

I am nominating myself (George Shaparew), for your Unmetered Loads Working Group.

While presently being the President and CEO of Innisfil Hydro, I am a Certified Power Lineman and a Certified Engineering Technologist and I have pragmatic experience regarding the make-up and connections of unmetered loads. I will be pleased to offer over 30 years of power distribution experience towards your working group.

If you have any questions or require further information, please feel free to contact me directly.

Best Regards,
