Dear Mr. Singh:

**Re: Waterloo North Hydro Inc.
Application for 2012 Smart Meter Cost Recovery
effective November 1, 2012
Board File No. EB-2012-0266**

The Ontario Energy Board (the "Board") has now issued a corrected Decision and Order for the Decision and Order issued on October 4, 2012. The corrections are to accurately reflect the record with respect to the proposed and approved Effective Date of November 1, 2012, and are in the first paragraph under "Implementation" on page 9 of the corrected Decision and Order. The Board's findings and the Tariff of Rates and Charges contained in Appendix A to the Decision and Order are unaltered by these corrections.

Yours truly,
