Dear Ms. Walli:

**RE: Review of Cost Allocation Policy for Unmetered Loads
Board File No.: EB-2012-0383**

On behalf of Enersource Hydro Mississauga Inc., Horizon Utilities Corporation, Hydro Ottawa Limited, PowerStream Inc., and Toronto Hydro-Electric System Limited, and Veridian Connections Inc., the Coalition of Large Distributors (the "CLD"), would like to nominate Jane Scott, Manager of Rates & Revenue, Hydro Ottawa for the proposed Unmetered Loads Working Group ("ULWG").

Jane Scott would represent the above six utilities, all of whom have Street Lighting, Unmetered Scattered Loads and/or Sentinel Lighting classes and have a vested interest in assuring that the cost allocation of these classes is done correctly.

Jane Scott has extensive experience in rate design and cost allocation and played an active role in the Ontario Energy Board's previous Cost Allocation Working Group from 2005-2007.

The CLD does not intend to seek an award of costs.

Yours truly,
