Kirsten Walli, Board Secretary  
Ontario Energy Board  
Suite 2701 2300 Yonge Street  
Toronto ON M4P 1E4

Dear Ms Walli:

**Re: EB-2012-0002/Ontario Power Generation Inc. ("OPG")/Application and Hearing for Orders Related to Deferral and Variance Accounts and the Adoption of USAAP for Regulatory Purposes**

We are counsel to the Consumers Council of Canada (CCC). By this letter we request intervenor status for the CCC.

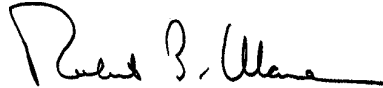

The CCC is a non-profit, public interest entity, representing the interests of residential consumers of electricity in Ontario. The outcome of the application will have an impact on the rates paid by residential consumers of electricity in Ontario.

As a non-profit public interest group, the CCC has no funds to support its participation in the consultation. The CCC intends to make a request for a cost award at the end of the proceeding. The CCC has been an intervenor in many of OPG's applications and Board consultations and has in all of those matters been found to be eligible for cost awards.

The CCC will be represented, in the Consultation, by the writer, or by Ms. Julie Girvan. The writer's contact information is listed below. Ms Girvan's contact information is: 62 Hillside Avenue East Toronto, ON, M4S 1T5, telephone: (416) 322-7936, fax: (416) 322-9703, e-mail: [jgirvan@uniserve.com](mailto:jgirvan@uniserve.com).

Yours very truly,

**WeirFoulds LLP**
