Dear Mr. Chase

**Re: London Hydro Inc.
Application for Rates
Application Board File Number EB-2012-0146**

A preliminary review of the application has identified that certain sections of the evidence supporting the application do not comply with the Board's Filing Requirements¹ for cost of service applications and/or the associated spreadsheets, models and workforms. As a result, the Board is unable to process your application at this time.

The missing information includes:

¹ Chapter 2 of the *Filing Requirements for Electricity Transmission and Distribution Applications*, dated June 28, 2012 and subsequent Board communications.

Chapter 2 Filing Requirement Reference (page #)	Description
25-26	Load Forecast <ul style="list-style-type: none"> • Variance analysis • Weather normalized consumption per class for historical 5 years, bridge and test
32	Shared Services and Corporate Cost <ul style="list-style-type: none"> • Variance analyses and explanations are required for test year vs last Board approved
34-35	PILs <ul style="list-style-type: none"> • Complete integrity checks
51	Deferral and Variance Accounts <ul style="list-style-type: none"> • Explanation if continuity schedule differs from trial balance in RRR and audited financial statements • Interest rates applied to calculate carrying charges

The Board expects that London Hydro will file the above listed required information as soon as possible.

If any of the information that is identified as missing is located in sections other than those identified in the Filing Requirements, or if any of the information is not applicable in your circumstances, please provide an explanation when filing the remainder of the required information.

Please direct any questions relating to this application to Neil Mather, Project Advisor at 416-440-7650 or Neil.Mather@ontarioenergyboard.ca.

Yours truly,
