Attn: Ms. Maureen Helt,

Dear Ms Helt:

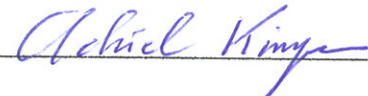

This is a request for a extension on filing my rebuttal and evidence to Union's evidence which I did not receive until the 17th, of October.

I called the Board for an extension and Mr. MacKay in a return call granted me until the 24th, I am however asking for an extension up to November 2, 2012.

Should the extension be granted kindly inform me, firstly by phone at 519 - 862 - 5658, and then by a letter of confirmation.

Thank you for your time.

Respectively

Achiel Kimpe
