Dear Ms. Walli:

**Re: Pollution Probe – Support for Extension Request and Apply Changes
for All Intervenors
EB-2007-0905 – Ontario Power Generation – 2008-09 Payments**

On behalf of Pollution Probe, we write to support the requests of AMPCO and Energy Probe to extend the intervenor evidence filing date (and subsequent other changes) due to the recent receipt of various interrogatory responses. As the noted concerns are potentially applicable to all intervenors, Pollution Probe respectfully also submits that any such extensions and changes should apply to all intervenors out of fairness.

Yours truly,

Basil Alexander
