ONTARIO ENERGY BOARD

IN THE MATTER OF the *Ontario Energy Board Act*,
1998, S.O. 1998, c. 15 (Schedule B);

IN THE MATTER OF an Application by Den-Mar Brines
Limited ("Den-Mar") for an application for an injection
permit to inject natural gas into a well located within 1.6 km
of a Designated Storage Area.

**REQUEST FOR INTERVENOR STATUS
OF
UNION GAS LIMITED**

1. Union Gas Limited ("Union") hereby applies for Intervenor Status in these proceedings pursuant to the above-captioned matter.
2. Union is an Ontario Corporation with its Registered Office at the Municipality of Chatham-Kent, in the Province of Ontario. Union is a regulated public utility, which combines the operations of selling, distributing, transmitting and storing natural gas within the meaning of the *Ontario Energy Board Act, 1998*.
3. Union has reviewed Den-Mar's well drilling Application and based on preliminary review of the material submitted by Den-Mar, Union agrees with the Ministry of Natural Resources position that there will be no effect on the adjacent Bluewater Designated Storage Area. Union will be meeting with Den-Mar in the near future to discuss the proposed project. Union will provide the Board with their final position on Den-Mar's proposal at that time.
4. Union has a direct interest in all matters of jurisdiction, substance and procedure in the regulation of public utilities, and in any decision of this Board, which may create a precedent affecting Union's operations and/or rates.
5. Union requests one copy of the evidence and submissions of the Applicant and other participants, and any notices or correspondence. This includes any revisions or amendments, which may be made prior to the commencement of or during the hearing of this Application. Union's preference is to receive searchable electronic versions of all filings.

6. Union reserves the right to adduce evidence, submit interrogatories, cross-examine witnesses, advance argument and participate in the hearing as circumstances may require.

7. Communications relating to this intervention should be directed to:
