Dear Ms Walli,

Further to the Board's invitation letter of October 30, I am pleased to say that APPRO plans to participate in the Working Group on Regional Infrastructure Planning during the next phase of the Renewed Regulatory Framework proceeding.

I trust you have seen the related exchange between Rob Cary and the Board confirming that he is able and available to represent APPRO on the Working Group, subject to certain conditions.

We look forward to receiving further information on the process and to providing substantive input as the proceeding unfolds.

Sincerely,
