We are writing to indicate Pollution Probe's intent to participate in the above noted matter in accordance with the Ontario Energy Board's letter dated April 17, 2008.

With respect to the intended participation:

- I. Pollution Probe intends to make written comments on Board staff's Discussion Papers, and Pollution Probe wishes to be on the distribution list for future developments in this consultation.
- II. Pollution Probe is a public interest advocacy group with a large membership and donor base throughout Ontario. Pollution Probe may identify other interests based on its review of the materials.
- III. Pollution Probe requests two copies of the pre-filed evidence/materials, one to be delivered to Mr. Murray Klippenstein and myself as counsel for Pollution Probe at the law firm address above (e-mail addresses: murray.klippenstein@klippensteins.ca and basil.alexander@klippensteins.ca), and one to be delivered to its consultant, Mr. Jack Gibbons of Public Interest Economics. Electronic copies are sufficient, and we also request that both counsel (Mr. Klippenstein and Mr. Alexander) and Mr. Gibbons be listed on the participants' list under Pollution Probe, since this makes the later distribution of updates more effective.
