Dear Mr. Nassar:

**Re: Application for Amendment of Gas Marketer Licence GM-2010-0336
Board File Number EB-2012-0420**

The Board has reviewed the additional information filed in your letter dated November 6, 2012.

To proceed with your application for a name change on your licence, you must file legal evidence (e.g., articles of amendment and/or certificate of amendment) to support any change to the name on the licence. Without the supporting documentations, the Board will not continue to process your application. The Board does not process name change applications without the evidence cited above.

The Board notes that Bluewater Distribution Corporation (a licensed distributor) expressed concerns in Blue Power Distributed Energy Corp.'s last application for an electricity retailer licence. Specifically, Bluewater Distribution raised concerns with respect to the possibility of customer confusion due to similar names and logos of the distributor and the retailer.

In view of the issues raised, the applicant is encouraged to inform Bluewater Distributed of the proposed name change.

Please direct any questions relating to this application to Julie Doherty, Advisor at +1 (416) 440-8133 or e-mail, Julie.Doherty@ontarioenergyboard.ca.

Yours truly,
