Dear Ms. Walli:

**Re: Enbridge Gas Distribution Inc.
2013 COS Rate Case Proceeding
EB-2011-0354 - Reply Comments on Interim Draft Rate Order**

On November 5, 2012, Enbridge Gas Distribution Inc. ("Enbridge" or the "Company") filed its Interim Draft Rate Order with the Ontario Energy Board (the "Board") and Interested Parties.

The Canadian Manufacturers & Exporters ("CME") filed a letter dated November 12, 2012 with the Board indicating no objection to the approval of Enbridge's request.

Enbridge is requesting that the Board proceed with its review and approval of the Interim Rate Order on or before December 1, 2012 in order to maintain the timetable for the filing and approval the January 2013 QRAM and the implementation of Interim 2013 rates resulting from the EB-2011-0354 rate proceeding as part of the January 2013 QRAM.

Please contact the undersigned if you have any questions.

Yours truly,

[original signed by]
