Dear Mr. Cowell:

**Re: Entegrus Powerlines Inc.
Application for Rates
Application Board File Number EB-2012-0289**

The Board today corrected the Service Charge for General Service less than 50 kW service classifications for the Village of Newbury Service Area for a typographical error. Under Rule 43.02 of the Board's Rules of Practice and Procedures, the Board may at any time, without notice or a hearing of any kind, correct a typographical error, error of calculation or similar error made in its orders or decisions.

The service charge is now \$22.09 rather than \$21.09. The Amended Rate Order and Amended Tariff of Rates and Charges are attached.

Yours truly,
