Dear Ms. Marconi:

**Re: Information Request**

On November 19, 2012, the Ontario Energy Board (the "Board") issued a letter confirming that the interim fees remain in place.

Pursuant to section 7 of the OPA's licence, the Board requires the company to file the current balances in each of its Board approved variance and deferral accounts. This information will enable the Board to monitor the balances in these accounts.

The OPA must file the required information with the Board Secretary on or before December 6, 2012.

If you have any questions, please contact Michael Bell at 416-440-7688 or [michael.bell@ontarioenergyboard.ca](mailto:michael.bell@ontarioenergyboard.ca).

Yours truly,
