

## Ralph J W Fischer CV

Ralph Fischer is currently Director, Regulatory Special Projects with EGD in Toronto. He provides leadership for the next generation Incentive Regulation project team and development of a new IR framework that could be filed with the OEB in early 2013.

Prior to joining EGD in April of 2011, he was Director, Planning and Analysis for Enbridge Pipelines Inc. in Calgary, Alberta with responsibility for North American liquids pipelines strategic planning, commodity forecasting, financial analysis and regulatory strategy and compliance. Prior to joining Enbridge in 2005, Mr. Fischer was Director, Economics and Regulatory Affairs with Terasen Pipelines (now Kinder Morgan Canada). He was Manager, Economics and Regulatory Affairs with EnCana Pipelines from 2001 to 2003, which owned and operated gathering systems in Canada and the Express and Platte pipelines. From 1990 to 2001, he was employed by TransCanada Pipelines in various roles, including financial and regulatory analysis, investor relations and business development. For two years prior to 1990, he was employed by Home Oil Company as a senior financial analyst in its Corporate Planning department.

Mr. Fischer's career began in 1981 with Interprovincial Pipeline Company (now Enbridge Inc.) in Toronto and Edmonton, until 1988, with primary responsibility for supply and market analysis and throughput forecasting. During the 1980's and again on numerous occasions during the last 5 years, he has testified as a Company witness at National Energy Board toll and facilities hearings.

He has an Honours Bachelor of Science degree from the University of Toronto and a Master of Business Administration degree majoring in Finance from the Schulich School of Business at York University in Toronto.
